“ *We could have not ask for a better neighbor thur out the years. Randy and I enjoyed our talks with Ed at the fence often and he would usually end the conversation with a little joke! He was definitely a good man that will be forever missed and loved! From the Phillips family we are so sorry for your loss.*

“ I worked with Ed for a number of years at Arkla Gas. Ed was one of the hardest working men I have had the pleasure of knowing. He taught me so much about the business for which I will be forever be grateful. I loved his sense of humor and most importantly his dedication and loyalty to his friends. Ed will be missed.
