“ *They just don't make em like this young man anymore... He was as human as a person could be.... He made mistakes as all of us do but he never made excuses or complained. He just smiled, admitted he made mistakes and continued to smile and work to do the very best he could every day! He will probably be missed as much or more than anyone who ever graduated from Morrilton High School by his classmates.. Rest in Peace my good friend and classmate. Like everyone else who knew you I loved you so much and admired you always.*

“ *I loved Eddie Mitchell!! We have been close friends since we were little kids. If I ever needed someone to take up for me as a kid, Eddie was always right there. No matter where we were if we saw each other we always had a big hug!! I loved that!!! He called me his sister!*

I loved that too. I'm going to miss him severely!

What a sweet big hearted man!!!! My prayers are with Ted and the rest of his family!!!
