“ I will always remember when he thought Gary Lawson might handcuff me because I pointed my finger at him. Ed told me later, "I just knew he was going to cuff you, but he didn't." I told Ed it was because I was bigger than he was and could run faster. Ed just laughed. He was a nice man, really cared for people.

“ When I was a little girl I had a crush on Edwin Allen. He was Leonard's (Mac's) close friend for most of their lives. (After they had a little "set-to"), as Leonard would call it. God bless his family and friends and give them peace and comfort.
