“ She was a very sweet and kind sister. Wish I was there more for her. But she knew that I love here more than anything. She love to do crafts. It may her feel good to do something good for someone.

“ I met Diane while we were stationed together at Lackland AFB, San Antonio in 1988. During that time we were in our party stage and always joked about the local cab company phone # 222-2222. When I found out she passed away at 7:02 PM, I said she had to throw that 2 in there! She was the most wonderful, fun, funny, caring person I've ever met. We shared many good & bad times together. She was always there for me when I needed her. She was my best friend for 37 years and I will miss her dearly. Rejoice in heaven, my friend.
