“ *I was so shocked, did not know what was happening with Effie. Such a sweet person and I have known her for many years and enjoyed our lunches together at the Senior Adult Center in Perryville, I will miss her hugs and sweet smile. Prayers for all of the family, I know she will be missed. Remember God is the great comforter, praying his love and grace surrounds her family in this sad time for them.*

“ I don't have the words to say how much I Loved Her. I cherish every laugh, tear and especially her hugs that we shared. She was a true friend in every sense of the word friend. She was always so giving to anyone and she loved to do for others and did! I am missing her terribly but I am certain of where she is and I am going to see her again. Rest in sweet peace my friend until then. I love you.

“ *Effie has been my friend for such a long time. Our kids went to school together and she was a help to me taking care of our chickens when our youngest child was born. She loved all of you and prayed for you. Love and prayers sent to each one of her children in the loss of their mother, and to her sisters and brothers in the loss of their sibling.*
