“ *Joan and family, I was so sorry to hear of Ray's passing. Ray and I were SHS Class of '58 classmates. I have fond memories of Ray from those happy school days. He was a huge part of our class. Due to health problems I am unable to attend services. You and all Ray's family are in my thoughts and prayers. God Bless, Ann Bradford McDonald, SHS Class of '58 and Bill McDonald, SHS Class of '56*

“ So sad to hear that Ray has passed away. Ray and I have been buddies since childhood and somewhere on the family tree are cousins. I know him as Ray, his high school classmates called him Elbert Ray, but he was "stick" to those of us who knew him well. He was a very good athlete and it was a pleasure playing with him on Sheridan's 1958 basketball championship team. A good basketball player and football player but most of all an outstanding individual. He was our Mr. Sheridan High School. President of the student council which I was a member our senior year. Just a great person and it is an honor to have known him. So sorry we will be unable to attend the service but all of you will be in our thoughts and prayers. We will all miss him but we know he is now in a better place. Our fond memories will last a lifetime. Our prayers go out to all the family members during this sad time. May God bless and comfort you during this tough time.

We are saddened to hear of the loss of our friend and classmate at SHS. A good friend who will be missed by all who knew him. He kept in touch with us through his interest in and love of the Grant County Museum. Our heartfelt sympathy to all his family.
