“ *JoAnn-Glenda-Steve and Janis*
Just heard about Aunt Lec.
What a loss...She was one of a kind. Her precious smile--Her wonderful laugh--Her kind heart. I'll always be able to hear her and Meme giggling like teenagers. They so loved each others company. We will miss her.

“ Dear Distant Family,
I have only today come across this news and realized that my grandfather Clyde's last sister is now gone. Please accept my sympathies AND my tribute for a woman who was obviously admired and loved. I recall visiting with her when my grandmother Dora Mae passed away. Blessings to you all. Becky

“ I was one of the LUCKY ones who had Mrs. Lasater in both first and second grades. My heart is full of wonderful memories of her...teaching us to read from the big Dick and Jane book, delivering mail when we studied the post office, churning butter for breakfast, building a lifesize paper machier pony named Pride.....I know that I still love school today (at 57!) because of your precious mother, grandmother and greatgrandmother. Mrs. Lasater will live on in the hearts of her students...and some become teachers...and the torch is passed on. I will always be thankful that she taught me to love learning.

“ Mrs.Powell and family,
Mrs. Lasater was my cooperating teacher when I did my student teaching at Reynolds Elementary in the spring of 1970. At almost 60 years of age, she was so energetic and full of love and concern for her students. I have never known a more innovative teacher than she was. She gave those first-graders a wealth of experiences wrapped in her love. She was a great source of inspiration for my teaching career and for my life. I'll never forget her!

“ Aunt Lec was a very special lady, and very loved. I am so glad I got to come see her and the rest of my family last week. That little smile never deminished, and she was just as loving and caring as always. Know that you are all in my thoughts and prayers, and will never be more than a phone call away. God/Bless you all
