“ *Dear Joyce,*

I've been out of town for a while and didn't know of Beth's death until today, I am so sorry for your loss. Losing someone so suddenly is so difficult, and having a loved one seriously injured at the same time makes it doubly difficult I know.

My thoughts and prayers go out to you and her girls and the rest of your family. If there is anything I can do for you or the girls, please let me know. You were so good to our family when Daddy was sick and with Morgan's memorial service and I will always have a very warm spot in my heart for you and your family. God bless!
