“ *Ella was a wonderful person, woman, friend, and most of all we considered her OUR granny. She always had a smile and something nice to say to my son and me, always asking how he was. I enjoyed doing her hair and being with her company. I will miss her greatly but I know she is with our heavenly father. I do know she loved her family and even though I did not know all of you, she loved you always as it was told in her words as she spoke to me. My prayers and love go to you in this brief passing. Take comfort that we will all see her again someday and she never has to hurt again.*

*Sincerely,  
Tina and Marshall Ray*

“*“Like a bird from prison bars has flown”, her body could no longer contain her spirit. She will be basking in the arms of the Lord now and I can't imagine anything better.*

*My fondest memory of Pearl is driving her home from church in her own car. She would always make up some silly excuse as to why she did not want to drive for herself, but she was easy to see through and so I would play along. (She knew I was just learning to drive and needed the practice.) After church she always had a left-over cinnamon roll to offer as payment for having driven her. She was very special and loved, as are you as well Aunt Pam, Aunt Kay, Aunt Deanna, Aunt Hazel, and Uncle Faber.*

*I'm so sorry we can't be with you right now, Jim. I hope you understand though that you are so dearly loved by us and are always in our thoughts, hearts, and prayers. We love you so much.*

*Her children are a true testament of her life and I know she must have been truly proud of each of you, and of course she had the best grand-children ever too!*

“*My hope for each of you is for the memories of 'mother' to make their way to a place in your hearts that brings a smile upon thinking of her. This journey takes time, but once God has helped you there you will be at peace with his decision to take her to be with him. My mom has been gone for a while now and I am at that place of peace, only by the grace of God. Miss Pearl was such a blessing to all.*

*“ Dear Aunt Pam, Aunt Kay, Aunt Deanna, Aunt Hazel, Uncle Faber, and our Papa,  
Pearl told me on the way home from church once that her favorite song was "I'll Fly Away" and I've always thought of her everytime I've heard it. It seems her body could no longer keep up with her spirit and we know she's in the arms of the Lord now. Knowing that eases your pain, but of course does not take it away. Please know that you are in our heavy-hearts, our thoughts, and in our prayers. She was very special and you guys are a true testament of how special and loved she is.*

*I'm sorry I can't be there for you now, Jim. Please know that despite that, you are so very loved by all of us.*

*“ Our hearts are broken at the passing of such a wonderfully loving women. Miss Ella's family will be in our thoughts and prayers. Every time Kevin or I would see her, she always made us smile. She always asked about our boys, (who loved to visit her when they were there), every morning when I use to bring her coffee. She was our friend, and she will be truly missed.*

*God Bless you Miss Ella.*

“ We are sad because Mrs. Pearl is no longer here, but we also rejoice that our hope is in the Lord. Dad and Mrs. Pearl will be forever singing around the throne together, along with the other kinfolks who have gone on before. No more pain or suffering for them! Please know that all of you are in our prayers. May the comfort that only comes from God surround you in the days to come.
