“ I did not have the pleasure to meet or know Mr Belcher! However, I did his son Marty! The greatest tribute that a parent can have in this life, is a child that displays the attributes and life that was instilled in them as a child growing up. Marty Belcher is one of the finest men I know. His life has always been straight forward, and he put God and Family at the top of his life. Honored to call him a friend. Always looked forward to hearing words of wisdom from Marty. God bless the family and prayers to the family in celebrating Mr Belcher's life.
