“ *Thank you all. My heart is truly broken and I don't know if I will ever recover. The only thing that gives me peace is that God has a plan for us all and it was her time.*

Please keep in touch.

Love you all.

“ *Ann,*

I wish I could be with you at this time. I will miss your Mom very much. She was a rock. I cannot remember a time when she was not there in any family emergency. She was always the calm one. She will be missed. I love you very much.

“ Ann,

I don't know the words to say to take away the pain, but what I want to say is, I love Aunt Elouise and I love you too. As a family we've cried together, we've laughed together, probably cussed together, but we were together. I've always admired you & Aunt Elouise as strong women.

Love & God Bless,

Frankie
