“ Bobby and Family,
Elsie was a dear friend to both Pat and I. I have never met a woman with such a fun personality! You just never knew what she was going to say next. One of my fondest memories of Elsie was the night Pat and I got married, she got lost so we had to hold off our wedding for about an hour, so we could go get her and bring her to our wedding. Our wedding wouldn't have been the same without her there. She will be greatly missed by those whom were blessed by knowing her! Our deepest condolences to her family.
