“ *Dear Elton,*

Thank you for being our good friend and neighbor. Thanks for teaching a lefty how to clean fish and that jalapenos really do go with fried chicken! I really enjoyed the long conversations and fishing trips when Carol was out of town with her Mom. Thanks for sharing stories about your life and your family, the wonderful food you cooked, coffee on your porch or around the table and for often being our guardian angel without realizing it. You are greatly missed. Rest in Peace our Friend.

Love,

Ed & Carol

“ *I've known Elton for over 40 years. He was my brother in law, married to Billie but she has passed too. He also has a daughter and granddaughter, maybe there were reasons they weren't listed. My husband and I will miss him. We would see him around town he always smiling. Our thoughts and prayers go out to the the family. Rest in peace my friend..*
