“ *Dear Robertson Family,
It was difficult to hear the news of Elvis. I really looked up to him as a seasoned friend and he had a way of becoming everyones grandpa. I will miss hearing the stories of the first car, phone, airplane...that crossed Petit Jean Mountain. Elvis was able to speak volumes without talking and able to give advice with just a look and smile. The many teachers and school kids ALL were blessed to have come across Elvis and Iva Lee. I will miss my friend.*
