“ *One could never want for a better neighbor than Emmy. So many times, when on a daily walk I would stop & visit for an hour with her. We talked about everything and nothing. I've also never known such a hard working woman - she should be a model for the "younger generation."*

I will miss her more than most people know.

“ Emogene was a very good friend to me and I will miss her. I wanted you, the family to know that I thought she was a great lady and I enjoyed the time that we worked together at Levi's. I pray God will give you all peace and comfort during this sad time.
