“ Dear Karen, Theresa and Family:

Although I did not know your father personally, I am sure that if his daughters are anything like he was, that he was a good and loving person. I want to tell you all how very sorry I am for your loss. I, too, know the heartache of the loss of a father. It is a loss that will forever be with you.

I want you all to know that you are in my thoughts and my prayers during this very difficult time.

Love,
