“ *My thoughts and love are with you all. Aunt Erval always told me she loved me and made me feel welcome. I know she is the one who would have given me a home if Grandma and Grandpa could not have done so. She touched many lives. Ruth*

“ There's so much one could say about this special lady. She was a terrific sister and aunt that always made you feel at home. If you were related to her or her friend, in her eyes you were someone very special. She touched so many lives in a very positive way that if you didn't know her before it was over you would be calling her your friend. I admired her that you never had to guess where she stood and with an iron clad backbone she always loved and stood for her Lord, her Beloved America and those she loved. She loved gospel music too. She's hearing nothing but the best that heavenly host of angels, those golden bells now ringing, walking on streets of pure gold and hand in hand with the one with the nail scared hands. As her nephew, I recall a conversation I had with her and she said heaven is an appointment we must make for certain. If we miss that appointment, nothing else in this earthly abode matters. I believe she would say to everyone you must make heaven your eternal destination because the splendor and beauty is beyond compare. I cannot wait for all of you to see my mansion by the Chief Engineer Jesus --- it's something to see! To all, stay ready I am already here in tranquil peace and waiting for you to join me!
