“ *Betty, Charles & George, I am so sorry to read about the loss of your mother. Even though I am now living in Texas, I try to keep up with the loved ones I grew up with. We all have loving memories of our mothers and know they will always live in our hearts. My thoughts are with you.*

“ *On behalf of the Mary Hudgens family, I send our sympathy to your family. Our mothers worked together at the Sanitorium and Mom thought a lot of your Mother, as we all did. I am the youngest, and I remember your Mother helping us out with rides, sine my Mom never learned to drive! I know you all will miss her, as we still miss ours. Our prayers are with you all.*

“ *So sorry to hear that Eula had died, Betty. As you know I have not been well and don't check my e-mail as often as I should so I was late in learning about her death. I love you and please know that my prayers are with you, Charles and all the family. I appreciate you so much.*

“ Hi Cousin Betty, Rita here. So sorry to hear of Cousin Mary's passing. I have great memories of her! She always welcomed me and my sister to her home to play. We always had a great time when we were young playing games and doing puzzles. We always hated to leave, but never left empty handed. She always had sweets and her special hug to go. I love you and you and you are in my prayers!

“ Dearest Betty and family,
I was very sad to hear of your loss. I too have lost my mother and grandmother (who lived to be 95) and she suffered for years before her death. I hated to see both of them go but, I know they are not suffering now that they are in a better place. I miss them both so much. Remember all the good times you had with your mother. My thoughts and prayers will be with you and your family. Love you and see you soon, Barbi and family

“ Hey Betty Boop,
When my mom passed away 30 years ago I missed her so much and didn't know if I could go on without her. The only thing that kept coming to my mind was I would never have her come back to this earth and suffer the pain she had to go through. She was no longer in pain and was in perfect health where she was. So be it with you mom.

Love

“ Dear Betty and Charles. I know this is a difficult time for you both, but I also know that every time you think of your mom you will remember what a loving and caring person she was and what a zest for living she had. Even though I didn't get to spend much time with her over the years, it was always a special joy to see her. I'll never forget how much my mom enjoyed her company and hospitality on my mom's last visit to Perryville. Betty--keep on sending e-mails. God bless you.

“ Aunt Eula Mary touched several of our unfortunate disabled young people and enabled them to grow to be the best they can. Although we will miss her, I think her time here on earth was well spent and it was time for her to go ahead and get things ready for those of us to follow. May God grant strenght and peace to her family as they deal with their Moms passing. Love Mildred Ann & family

Please allow me to convey my sincere condolences for the loss of your beloved mother. There are no words to express the loss of such a dear one; but we know that she is now in the arms of our Lord Jesus, free from all pain.

You will remain in my thoughts and prayers. I will be out of town and will not get to attend the service, but know that I will be there in spirit.

“ *My condolences on the passing of Eula Mary. I remember her from my childhood when we visited Arkansas from California. We would always see Eula Mary while vacationing at my Grandma and Grandpa McKay's place. She was a wonderful lady. I remember she had a funny sense of humor, and I very much enjoyed her during my growing-up years. As time went by, I was able to inquire about her through my mother (Ruth) or my brother (Ernie). I have good memories of Eula Mary, which will stay with me always.*
