“ *Mrs. Jackson was my 1st grade teacher at Northside Elementary in 1966 . I loved her as my teacher she taught me how to read and she had a cabinet she kept hats and purses in for the girls in the class to play dress up in. She held a special place in my heart because she was such a loving & caring person & a wonderful teacher She will truly be missed. My prayers are with you . Patrice Aishman Potts*

“ *From Bavaria in Germany Gary Gene and Larry just learned of Aunt Euna Faye's passing and thinking of you tonight - she was a find lady whom I deeply respected and always enjoyed her company. I was always proud to tell everyone that we shared the same blood. She was the last if that generation of family members and I am sure you will miss her greatly.*

“ Gary and Larry, just read Ms. Fay's obituary in paper. I am so sorry for your loss. She was a very strong courageous lady and everyone knew she loved Jesus, which is what matters in a testimony. I'm sorry she had to go through some hard times. I learned early in social work that the definition of hope is desire with expectation. She was not disappointed at her homegoing. Your mama was successful. She raised two strong sons who were the best for her care. You have set a perfect example for caregivers and I know God will bless and comfort you. Love and prayers, Anita
