“ *I met Eutaw over 40 years ago at a fish fry at his farm in Morrilton and I bought a new car from him in 1976 and he was always so kind and likeable and I gave him the name "Big Daddy" . He always called me daughter. He used to have cookouts and fish fries at his farm in Morrilton and I had told my good friend Wilma about what fun we had and she wanted me to take her with me to one and I did just that and I think that when we walked into the house that Eutaw took one look at her and fell in love with her and the rest is history. He was so good to her and her 2 girls and I love him for that because she was and is so special to me. I love you "BIG DADDY" and you will always have a special place in my heart. Til we meet again, Your other daughter, Mary Cleek Herring*
