“ Mary, Anna, and Walter, I just want to let you know how sorry I am for your loss. I remember the times we had up on the mountain while we were growing up. She was always the smiling face to greet everyone she met. May God bless you and keep you during your journey at this time of life.

“ We are deeply saddened by the death of "Mrs. Jones" as we called her. She was one of our favorite players when we, from St. Elizabeth's Church, would sponsor Bingo at the Perry County Nursing Home. She loved for us to hug her neck and returned these hugs as well. She asked us to please come and wake her if she overslept when it was Bingo time. Then one day we went to wake her and learned she had fell, and was in the Hospital. Later, upon learning she was in the Morrilton Nursing Center, several of us went to visit her. We were saddened to see she was not herself, as we had known her at our Bingo games. She was such a nice beautiful woman, with an equally beautiful smile. Our lives are better for having known her and we look forward to seeing her again in our heavenly life. With Deep Sympathy, The Saint Elizabeth Church Bingo Committee.
