“ *I am sorry for the loss of Ferrell my former brother in law. He was my children's uncle and we have good memories of how he took the time to take my son hunting when their dad died many years ago. He tried to be an uncle to the best of his ability and for that we are so grateful. When he visited us in Texas with his family in 1980 it was a smoldering hot summer, one of the worst recorded in history and my baby girl Erika was an infant. She suffered from rashes from the heat. Ferrell didn't leave our home without air conditioning going so she (and the rest of us) would have a haven of cool to go to in at least one room of the farmhouse. I don't know if he even remembered doing that but it was such a blessing to us and served of his kind heart and giving nature. We are so sorry for your loss and pray for you during this difficult time.*

“ Ferrell took the time to take my son, Shane(his nephew) hunting when his brother Sid died and in 1980 when the heat wave covered Texas where we lived, Ferrell took the time to assure we had air conditioning in at least one room of our farmhouse before leaving from their family visit. My infant daughter (Erika) suffered from heat rashes and this was such an act of mercy for her and for all his kindness we are so thankful. So sorry for your loss. Praying for you during this difficult time.

“ *Misty and family, I am so sorry for your loss. I am praying for you all. May God hold you in his arms and may you feel the comfort only He can give. Know that your dad is there, at His table, and is finally at peace. He fought a long battle to stay here with you on earth. Just try to remember that this is his reward even though your hearts are sad.*
