“ *I was so sorry to learn of Flola Mae's passing tonight. She was so good to my Mother and Dad, Leta and Jeff Windham, of Little Rock. Flola Mae was so good at making the arrangements for the Windham family reunions for so many years. May the Lord continue to bless all of you. ---Mary Wanda Windham Root and Paul Root Arkadelphia, AR*

“ Many of my happiest memories from teen-aged years center around Flola Mae. We caroled in the snow, had hayrides, and skating parties. The best part was that she was always happy and never seemed to mind how many of us kids were around! She blessed a lot of lives and I am grateful mine was one of them! Danny, Randy and Paula, thank you for sharing your mom.

“ Flola Mae (Miss Flo) Was a very happy and loving person. She loved to go places and see new things, She really loved life. When I would see at the country store, she would say, I am going to do what I can while I can. She didn't complain. After talking to her (for only a moment) I felt uplifted. She will truly be missed, but I thank God the pain is over for her. We pray for her and all the family. We love you all.
