“ *I have thought of Miss Little so often lately as I am in my first semester of Graduate School getting my license as a therapist. I don't think that I would have ever been at this place in my life educationally without the memory of how Miss Little taught us, loved us, and helped us grow into who we are. She always has a special place in my heart. She was so kind and loving. God has gained a tremendous soul today! I hope that you and your family celebrate her life as she lived it, with love and kindness.*

“ Aunt Jean was a very special lady, always ready with a hug and sound advice when needed. I shall miss her sweet smile and quiet strength.

She and uncle Lawton were a really good team, love them both, even still.
