“ *Floy was truly a dear friend. We have missed her at our Sorority meetings. She had such energy and knowledge to offer for our activities and fellowship. We talk about her at many of our meetings. There is a vacancy in our group since she has not been there.*

“ Dear Family of Floy,
We enjoyed Floy for a long time. You know she had a good sense of humor and tried to make our meetings interesting. We have missed her for a while now, but will really miss her now that she has gone Home to be with Jesus.
You were blessed to have a wonderful lady and a great teacher in your family. Please remember her with smiles and not tears. Talk about her. One of our most frightening thoughts is to be forgotten. Please keep her memory alive for generations to come by telling stories about her and laughing at funny times. She would love that!
God Bless you with the Strength and Comfort only He can bestow.
In His Love,
Kathy Thibodeaux, Floy's Sister in ADK

“ Floy and I traveled to Alpha Delta Kappa conventions and conferences for many years. When she decided she was done, she turned the duty over to me. What a wonderful ride it has been, thanks to her.
