“ *Always remember spending summers in your backyard even the one summer getting stung on the mouth because I sat on the tire swing. Love and prayers to you all!*

“ *Mrs. Rohlman was always warm and caring to the students at Good Counsel. She and I used to joke about how clumsy I was as she treated my many injuries back in those days. She is someone I've thought about frequently and fondly over the years. I hope her family knows how many young lives she touched and can receive some peace knowing she is in the Lord's arms. Prayers are with you from the student she cared for so many years ago.*

“ *Ray, I was so saddened to hear of Frances passing. She was such a good person and I know you have so many sweet memories of her. I will never forget our Razorback trips, such fun. I pray the Lord will bless you and comfort you and your family as only He can. Thinking of you all and prayers for all of you.*
