“ Baylor and Family: I was saddened to hear of the news of the passing of your beautiful mother. I just want you to know that you are all in my thoughts and prayers. May God give you peace during these difficult times. Miss Frances was a lady of class and distinction. She was also so very kind to me, and was one of my mentors. Several years ago, after Bob passed away, she called me and told me that she had something for me. She gave me several pieces of her exquisite costume jewelry. I will never forget that kindness, and ten years later, I still wear some of the pieces she gave me. I loved her very much and I loved her "zest" for life. Go rest high on that mountain, Miss Frances, you will be greatly missed!! Go bless you all.
