“ *My thoughts and prayers go out to you all. I did not know Frances but I did know her mom Hazel very well. I met all of you at Hazel's visitation a few years ago. I am a cousin to you all. My prayers are with you all for the days ahead.*

“ *Frances was a friend of mine all throughout high school. I have wonderful memories of the many sleepovers our group of friends had at her house. Frances always invited everyone and she and her mom made everyone feel welcome! She was always such a beautiful person on the inside and outside. May the Lord comfort you all during this difficult time with the peace only He can give. Praying for you all 🙏*
