“ Frankie was a sweet Lady. Enjoyed visiting with her every time we were at Adona at Cypress creek Park. She enjoyed listening to the music . She was a delight to be around. She will be truly missed.

“ Frankie was a kind and beautiful soul. I was fortunate to have known her and to have counted her as a friend. She and Miss Dorothy Moore were frequent visitors to our Church and was always a welcome part of our services. She will be greatly missed. My condolences to all of her family. Go rest high on that mountain, Frankie!! I will never forget you. ❤️

“ *She watched me grow up from a little kid and she was like a grandma to me. I always know that I could talk to her about anything and everything.*

*Wayne and I think of Frankie so often. It was almost a daily event to have her show up at the park around 5 pm for a visit. She loved to hang out and play cards while listening to music. No matter what the singing was she would show up to support us. She was a true priest and we loved her so. Curtis/Stacy she thought you hung the moon and was so proud of you and the kids. She will definitely be remembered but never forgotten.*
