“ My love and prayers are with you at this sad time. Fred was such a joy - always had a smile and a chuckle for everyone. I have, and will, miss him coming in the back of Church or in the parking lot and saying, "hey little girl". He will be greatly missed, but the joy and love he showed and that he shared will live on forever. I love you.

“ I am so sorry. There's nothing fair or right about any of this, and nothing I can say will make it okay, much as I wish it could. I truly do know how you feel and what you are going through. You are such a wonderful family and I know you will get through this. So please, when you are ready, take heart, take care, and trust that everything really will turn out okay. I am here for you and always praying for you. Jenny, Frankie and Grant
