“ *Ms. Freda was a joy to work with at Arrow Automotive, very sweet and compassionate person. I remember for my 40th birthday she made me a lg. rag-doll (so adorable), making my birthday extra special. I can't help but think of my sweet Erma Lee Watters in heaven being glad to see her. I know sweet Ms. Betty Bridgeman will miss her much also. These three little ladies sure brighten my many years at Arrow. I pray God will help and comfort you during this difficult time. --Psalm 121--*
