Freda was one amazing lady. Caring, loving, and a very hard working lady. I enjoyed working with her on any project she had going at church, especially in the kitchen. She knew how to make things work like a well oiled machine. I mean that in the most loving way. She had a very giving and loving heart and would help in anyway she could. I will miss her very much and thank you for being a friend. Freda you are no longer in pain and are in the presence with Jesus. ❤️
