“ *Sometimes people are placed in our path to help keep our own lives in perspective. Gary was one of those people who lived life to the fullest even in the midst of his disabilities, however, all of those struggles he faced here on earth are now set free. If you had a chance to know Gary, you're lucky because he was a special person. We all can have peace of mind knowing that he is in Heaven watching over us. RIP Gary. We love you.*
