“ *I never leave comments,
but I've known Gary a long ways back, maybe 25 years.
I used to buy all kinds of old parts and antique cars to build.
He was always fair and a gentleman.
He's was and is an inspiration to all who knew him. He was kind,
generous, hard working and knowlegeable.
I never ever saw him riled up about anything.
We will all be judged someday and I know the Creator smiled when
Gary entered home, when he entered Heaven.
It was a pleasure to have known you.
