“ Your family has been in my thoughts lately and when I found this I knew why. As a fellow warrior who regularly received treatment at the same time our paths crossed regularly. Of course hearing the Yell County (moms family is from Danville) connection added to it

“ Dearest Loyra and family. I am so sorry to hear of Gary's passing. We know that he is no longer in pain and with the Lord Jesus Christ. I am so thankful that the two of you were able to come by the shop that day before I started my treatment. It was the most pleasant surprise that I shall never forget. I know that you all will miss him terribly I'm thankful that y'all had all those years of marriage. I will be keeping you all in my prayers. Love y'all so much

“ *Loyra, we know where Gary is, and we know he is finally free of the cancer he fought so gallantly. You and your lovely family will be in our prayers now and in the weeks ahead as you continue on here on earth without him. He was a really great guy, and he'll be one hard act to follow there in Casa, but what a great role model he has been for others.*

May God bless you!
