“ George was one of my best friends in high school. We did many things together....typical teenage guy things. I moved back to Arkansas last year and just procrastinated contacting him in Morrilton. Even though I haven't seen him in many years, I will regret not contacting him. He was a CLASS gu.

“ I met George when my dad, Charlie, worked at the hospital in Morrilton. I will always remember visiting his home on Petit Jean Mountain, knowing it took a kindred spirit to fully appreciate that beautiful view. He was a good, kind man. My heart goes out you.

“ George was one of the best friends I ever had the pleasure of having. He greatly influenced my life in so many ways. He spent hours on the phone consulting with me about software and software issues. We had a running daily call as long as GTE or SMS would pick up the bill. We pulled more than one shennanigan on the company and hospital clients while having the time of our life. I traveled to many cities with Jeanie and George, even took my wife on vacation with them once. It was always a vacation to go to a client site with Jeanie and George. George was always there to give me the sage advice of an older brother I never had. I will greatly miss him, best wishes to Jeanie my good friend and Jason. Love Dave
