“ *LaVonna and Family, I am very sorry for your loss. George David! I think of him and I get a smile on my face. That is how He made everyone feel. Everybody loved David. I remember when he won his little car and the car was put on top of the bus to bring it home. He was so excited and we were all excited for him. In study hall David was all smiles and the only one of us that never got in trouble. David was a joy to know, a man of integrity and honesty. I can't say enough good things about David. He is in Heaven and we will all see him again. My prayers are with you La Vonna and Family. Love, Donna*

“ Dear David Gregory Family,  
I know that nothing can be said to ease the pain of losing a loved one so that I will not try to do. I just wanted to say that I spent most of my school years as a classmate of David and he was always the best of friends and always full of joy, which he freely shared with all. That kind of sharing one can put no price on. I have many fond memories of David and I know I am a better person for having known him.

*May peace be with you.*

“ I am sorry for our loss. David and I were childhood buddies always playing cowboys and Indians riding our stick horses throughout the neighborhood raining havoc on all the bad guys. Frequently, we would go to the Rialto on Saturday afternoon to see a western. i will truly miss his smile and his devotion to his family and to God. He was my friend.
