“ I met "Mr. Cambiano" as a law clerk for Dan Stripling during the summer of 1986 when I observed him take a deposition. He had the kindest demeanor and gentle way that is a credit to a profession that is often times viewed far below that standard. The last time I saw him was not too long ago in Circuit Court in Clinton. He bore the same pleasant smile and gentle way. I'll never forget him and the impression he made on me as a young man in 1986.

“ Even though I was only 8yrs old when Momma, Karen, and I moved to LR, some of the most comforting and warm memories I have are from Morrilton and times spent with Daddy, Mr. Cambiono, and "that group" of men. Fish Lake and MCC. Sweet and protective papa bears. He will be missed! He's probably baiting his hook now.

“ Dear Cambiano family, I would like to express my condolences to you at the loss of your beloved father, grandfather, husband, and uncle. I know you do not know me, but I am the granddaughter of Joe's father's brother. My grandpa's name was Angelo Franco cambiano, and Melchiorre (Make) was his younger brother. If I may bother you for details at such a painful time, may I ask a question? I have been researching my ther's family for months while trying to finish a scrapbook. Could you please tell me whether or not Ross was your joe's only other sibling? Funny enough: my father's name was also Ross. I guess Angelo and Mike each named a son after their father, Rosario. Thank you very much.
