“ *I'm sorry to hear of Mr Plumlee's passing. I was a brand new manager for Alco when I met him. He quickly took me under his wing and checked on me often to make sure I was keeping my head above water. I have thought of him often over the years. What a great man he was.*

Gerald hired me as a Stockboy at Sterlings in Morrilton. 44 years later I am still in retail With Walmart. I have told hundreds of people throughout the years what a great person and boss he was to work for. To this day, all the years later he was the greatest merchant, manager and teacher I ever had the honor of working with. He will be missed greatly, but never forgotten as a servant leader with unmatched character and integrity.
