“ For Daddy, Aunt Kathy, and Aunt Betts - Thank you for bringing us to Nanny and Papa's house. We always felt safe there. They were a big part of our lives and helped shape us into the adults we are today.

Nanny - my heart is breaking because I selfishly want you here with us and at the same time I am rejoicing because I know you are celebrating in Heaven with Papa and Barbie. I love you. You're my Nanny and I'm so thankful for you. Love, "Lee Lee"

“ Nanny and Papa's house will always be my home. Some of my best childhood memories revolve around my Nanny. She taught me to always treat everyone with respect, especially the elderly and mentally challenged.

I know she is at peace with Papa and Barbie... I know she is happy... I know she isn't hurting... But it still hurts that she is gone.

I love you, Nanny

“ I am so sorry for the loss of a such a wonderful person! I worked with Geraldine a few times at the nursing home and instantly enjoyed being around her. Even though communication was difficult for her, I always seemed to understand her. She had such good listening skills and i could tell she understood me as well. When i lost my Mother and Dad last year she showed me such compassion and always gave me a warm smile and hug when i came around. She remembered things that i would say in passing and ask me about them several days later. What a sharp mind she had as well! You were truly blessed to have such a wonderful, thoughtful and cheerful Mom and Grandma! I will miss her but I know, along with you, that she is in God's hands.

“ Geraldine was such a beautiful and loving person. I really enjoyed helping her when I got to work with her at Brookridge. May God be with her family as they grieve. I will always remember her gentle back and shoulder rubs she always gave everyone.
