“ *David,  
Ken and I will be praying for you and your family during this time. You have lost a wonderful mother and we have lost a wonderful friend. Glenna and Virgil were so like parents to us and we enjoyed all our square dancing years with them. Virgil and Glenna are now dancing together on the heavenly streets of gold. May God bless you.*

“ When I retired I joined a bunch of NICE ladies and of the 6 or 8 Glenda was my favorite. She always had a kind way of speaking and found good in everybody. Boy did things change when she left . We missed her and no one else could take her place . I feel fortunate to have been able to call her my friend . Love to you all.

“ Dear David and family, We are so sorry for your loss. Your mom was such a wonderful woman and dear sister. I don't think our little ecclesia would have lasted as long as it did without her love and support. When she left, it was never the same. All our love to you. May Glenna's sleep be short!
