“ *Glenda has been a very dear friend for many years. We met when she started seeing Herman and sought to join the Catholic Church. As a lifelong Catholic, I was so moved by her passion for the Catholic faith. She loved her Catholic faith and her Herman! We shared a joy for music ministry in our church and worked together in that endeavor. She had a beautiful, sweet spirit. It was hard to see her declining health and struggle to manage life this past year. I will miss you dearly but I know you are singing your beautiful praises to our God! Till we meet again, shalom, my friend!*

“ *Glenda was a dear, dear friend of mine and my husband Ron. We all worked together years ago at Arrow Automotive and Glenda sang at our wedding. She always said that after her sister passed away that she inherited her voice. She was a big part in my walk of faith when I joined Sacred Heart Church. We had lots of discussions about faith and life in general. We will truly miss Glenda and her smile and laugh. Our deepest condolences to all her family. Ron & Becca Sponer*

“ *Glenda and I were classmates in the RHS Class of 1960. When Ronnie Tripp just informed all our classmates of Glenda's passing I got out the 1960 yearbook and read again Glenda's words. She was a special friend and distant cousin. I am so saddened by her passing. My deepest condolences to the family.*
