“ *I am so sorry for your loss. I will always remember Aunt Glenda when she spent time with us when I was a kid. They weren't always good times, but there were fun times. I will always cherish those times. Love Theresa*

“ *I was best friends with Tina when we were in school, so Glenda was like a second mother to me. She was the "fun mom" that was always taking us places. She always had a smile on her face. She will be greatly missed.*
