“ *I passed the auto procession on Hwy 95 today. Tonight I learned of Glenna's death. Her many visits to see me was always welcomed. She was a vibrant and enjoyment person. I retired last year. I send to you my heartfelt sympathy.*

“ *I am so sorry to read your Mom's obituary in the Chester paper. My parents still live in Chester and they saved the obituary for me. Jane and I graduated from CHS together and were roommates at USC our freshman year. I was shocked to read she preceded your Mom in death. I would love to call and talk to you if that is ok. I'm Tut, and I have lived in Charlotte NC since I graduated from USC. I would love to catch up. I know this is a busy time for you, but I did want you to know my thoughts and prayers are with you at this sad time.*
