“ *Micky was my school bus driver for a few years when he first moved to Sidney, AR. He always welcome us with a smile and I will always remember his eyes full of laughter in the mirror as we bounced down the road. I will especially remember how big and round they got the day we slid into Lynell Griffin's ditch. Ty, I'm so sorry for your loss. Luann Phillips*

“ *I will miss my dear brother for as long as I live. He was hard working, good natured, and a great provider for his family. I'm so sorry he had to leave us too soon.*
