“ *Praying for Greg's family and friends to know God's comfort, strength, and support. I remember when Greg first came to school at Casa. He was friendly and nice. His feet were growing a lot too, lol. I know he will be deeply missed.*

“ *I spent lots of time with Greg and Sharon when we were growing up. Greg was always so kind, mischievous, never met a stranger, and a true friend to those who really knew his heart. Greg will get to see my Tootie, Arnold, his daddy and Little Ronnie again. I bet they had a wonderful heavenly reunion! Praying for Sue and all his family during this time of sorrow!!*

“ Greg was such a great guy, so outgoing. We met because he saw me outside and just came & made himself known. He was always smiling, laughing & joking. Impossible to have a bad day around him, his laugh was contagious. I'm so heartbroken. My prayers are with his family, now and always. Make sure you tell Aunt Cindy hi for me.

“ I am at a loss for words. Greg was my best friend no matter how long we went without talking if I needed him he was there. The best thing I can remember is when daddy (Tinker) brought him home from Joses and he comes in at who knows what time yelling honey I'm home. Sue and Sharon I love you guys
