“ I remember visiting Ark and my husband and I picking her up about 25 years ago and taking her to a mansion where my late husbands mother worked...She put on a mink coat and got in an old fashion bath tub and posed like she was rich..Well she was rich at heart and one of the funniest and loving people I know..She was my mothers sister Mary Jane and they are now back together.I love you Aunt Gussie..I and my sister Sandra are very happy we got to spend time with her this past April.Your nieces
