“ *Mrs Thompson & Judee, I'm so sorry Janice and I could not attend your dad's memorial services, I had surgery the morning of the memorial that could not be changed. I have such fond memories of your dad, he took Freddy and I fishing when we were kids. When Janice and I joined the Baptist Church, we saw your parents all the time. Your father was a wonderful Christian man and was loved by all who knew him. If we can do anything for you or your family please don't hesitate to call on us. I'll pray that God will bless and comfort you all at this sad time. Lift your eyes and look to the heavens. He who created all things gives strength to the weary and increases the power of the weak. Love Ronny & Janice Mobley*

“ Dearest Judee - I join with so many others who knew your Dad in offering my deepest sympathy on his passing. Although it is little consolation at this sad time, it should be of some satisfaction to know that in his passing you can celebrate the end of a very long and productive life. The measure of a life well-lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorrow they leave behind. If the outpouring of sympathy on his loss is any indication, and it most certainly is, you can proudly and confidently say that his indeed was a life well lived. May you find peace and comfort in knowing that his loss is felt by all who knew and loved him.

“ Mary Nelle and Judee,  
I only learned of this late last night. My first thoughts were from a kid across the street that thought the Thompsons were so cool and fun. You guys impacted my life in alot of ways when I was young,through church and friendship. I know how you must feel in a way, but the years of fun and laughter will always be in our hearts. Remember we all will meet again someday and God will lead us there in time. My thoughts and prayers are with you all.  
God Bless and Love,  
Angie

“ Guy was one of the best men I ever knew. I had the privelege of hearing his stories of WWII when he served as an aircraft mechanic in England. He was dedicated to his family and enjoyed 'one liners' a lot. I am blessed to have had his as a father-in-law.
