“ I remember th a day he moved into PCNC. I fell in love. Chaddy was one of my favorite people. He will be truly missed. Even on a grumpy day I could make him smile just with a kiss on the head!

“ I cooked at the Perry County nursing home for many many years and he was one of my favorites I always remembered him shaking his finger and say no no no no no he looked very handsome in his black shirt and red tie that he wore for his mama's funeral and I have a picture of that somewhere

“ We were both residents in the nursing home. He didn't talk but I will have always the fun that we had. I always pinched his toes and he would laugh and then shake his finger at me. He was a wonderful man. My condolences to the family.
