“ *I'm sorry to hear of the loss of one of the greatest and friendliest men I've ever known in my life. Harold was full of laughter and always welcomed me into his home when many people wouldn't. I seen him a few summers ago and told him I would pray for his health and I did. I will continue to pray for the family as they deal with the loss of a husband, father, cousin, etc.*

My favorite memory of Harold would be sitting for hours just talking to him. He would always listen and enjoyed the conversation as much as I did. RIP Harold, you will be missed and never forgotten.
